

PATENT
Docket No.: 37799.00200

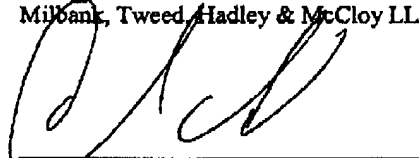

REMARKS

This Response is submitted in response to a Notice of Non-Complaint Amendment dated July 25, 2008. The shortened statutory period for response set to expire on August 25, 2008. Accordingly, the response is believed to be timely. In the event that the Commissioner determines that an extension of time is due, the undersigned hereby petitions for such extension and authorizes the Examiner to charge the Milbank deposit account 13-3250 for any required fee.

In the February 5, 2008 Office Action the Examiner identified two Groups of claims (Group I, claims 1, 8-13 and 21-24; and Group II, claims 14-20) and required election of one Group for prosecution. In the April 7, 2008 response, the undersigned elected Group I, but failed to submit a listing of all claims identifying the status of each claim.

Applicant respectfully submits that the claims of this application are in condition for allowance. Accordingly, allowance is requested. If a conference would assist in placing this application in better condition for allowance, the undersigned would appreciate a telephone call at the number indicated.

Respectfully submitted,
Milbank, Tweed, Hadley & McCloy LLP
